

# Sabrina Lem

Santa Barbara | San Francisco  
(415) 694-8750  
sabrinalem@ucsb.edu

## WORK EXPERIENCE

### UCSB Economics Department, Santa Barbara (Remote) — Undergraduate Assistant

July 2021 - PRESENT

Review projects for new course material. Handle excel worksheets and debug perspective assignments and exams. Continuing position by assisting with class tasks (grading, computer program set-up, etc).

### UCSF Global Health, San Francisco — Summer Intern

June 2018 - August 2018

Learn about epidemiology. Assisted Malaria Elimination Initiative group to create a survey to spread malaria awareness in Indonesia.

### YMCA, San Francisco — Meeting Moderator/Event Planner

September 2017 - June 2018

Lead meetings to plan youth events. Delegate instruction to other members. Present findings and plans with the board of supervisors.

### SFPUC (with SFPD), San Francisco — Summer Intern

June 2017 - August 2017

Assist with organizing and recording excel data for traffic infractions. Handle secretarial work.

## EDUCATION

### University of California, Santa Barbara

Sept. 2019 - Present

Majors: Statistics and Data Science (B.S.), Economics (B.A.)

GPA: 3.74, Honors Program

## PROJECTS & DEVELOPMENT

### Playlister — Heroku Deployed (Flask Application, Spotify API)

Desktop application that uses Spotify API to help organize and sort through a user's playlists. \*Spotify developer mode, limited user availability.

[ <https://flask-playlister.herokuapp.com/> ]

### VinylShop — Not Deployed (Yii2 Application)

CRUD based layout catalog (add/update) my vinyl collection in an online library. SQL commands added to sort and filter through collection (by artist, date, genre, location of purchase, and more).

### Frank Ocean Music Therapy — GitHub Published (HTML/CSS Application)

A 'choose your own path' desktop app that returns a Frank Ocean playlist based on the series of choices the user made. Other features include a lyric board and video integration.
